About This Game

The world is threatened by monsters sent by the "Evil King". To counter him,"Dragons", deities who reside in another dimension, bestow powers upon champions known as "Ryuujin".

In a small, unremarkable village, Imos lives with his sister Tori, helping her run a potion shop. Along with his sister, he spends his days with his childhood friend (and Ryuujin) Lotia, a gentle scholar Crimina, and a tomboy princess Aina.

However, this all changes when an order is made for all Ryuujin, including Lotia, to hunt down the Evil King.
